

Access to Schools by Staff from Other Agencies

National guidance in [Keeping Children Safe in Education](#) (KCSIE) which outlines school roles and responsibilities in respect of providing access to children for assessment and the checks required on visitors to schools.

Access for Assessment

“Governing bodies and proprietors should ensure that the school or college contributes to inter-agency working in line with statutory guidance Working Together to Safeguard Children. Schools and colleges should work with social care, the police, health services and other services to promote the welfare of children and protect them from harm. This includes providing a coordinated offer of early help when additional needs of children are identified and contributing to inter-agency plans to provide additional support to children subject to child protection plans. **All schools and colleges should allow access for children’s social care from the host local authority and, where appropriate, from a placing local authority, for that authority to conduct, or to consider whether to conduct, a section 17 or a section 47 assessment.**” (Part 2: The Management of Safeguarding, Inter-agency working, section 59, page 16).

Visitors to Schools

Staff working for services such as Derby City Council Children’s Services, CAF/CASS and Derbyshire Healthcare Foundation Trust should be identified as a visitor to the school.

KCSIE Part 3: Safer recruitment, point 138 states: “**Schools and colleges do not have the power to request DBS checks and barred list checks, or ask to see DBS certificates, for visitors** (for example children’s relatives or other visitors attending a sports day). Headteachers and principals should use their professional judgment about the need to escort or supervise visitors.”

Senior Her Majesty’s Inspector Deirdre Duignan has confirmed checks on visitors should comply with the above legislation.

To support schools to make these professional judgements, please be note that:

- All staff in paid or unpaid work that involves [working with children](#) where the work is classed as a [regulated activity](#) must have a DBS enhanced with barred list check. The employing agency such as Derby City Council is responsible for obtaining and scrutinising DBS checks on their staff.
- The DBS are clear that only employers and licensing bodies can request a DBS check and in accordance with section 124 of the Police Act 1997, certificate information is only passed to those who are authorised to receive it in the course of their duties.
- Other than on very rare occasion’s staff from Children’s Social Care should inform the school prior to their visit to see a child or young person. Staff from other organisations should always notify the school prior to their visit.
- Anyone employed by an organisation to work with children and their families will have a photo ID which should be shown prior to any visit to verify the individual. If at any stage the school wish to take further action to confirm the identification of the individual, a discussion should take place with their manager using the main number of their organisation.
